The screenshot shows the Springer Link website. At the top left is the Springer Link logo. To its right is a search bar with the placeholder text 'Search'. A red callout box with the text 'Шаг 1' (Step 1) points to the search bar. To the right of the search bar are icons for a magnifying glass and a gear. Further right are links for 'Zhaxylyk Salkarayev', 'English', and 'Academic edition'. Below the search bar is a navigation bar with links for 'Home', 'Admin Dashboard', and 'Contact Us'. On the left side, there is a 'Browse by discipline' section with a list of categories: Architecture & Design, Astronomy, Biomedical Sciences, Business & Management, Chemistry, Computer Science, Earth Sciences & Geography, Economics, Education & Language, Energy, Engineering, Environmental Sciences, Food Science & Nutrition, Law, Life Sciences, Materials, Mathematics, Medicine, Philosophy, Physics, Psychology, Public Health, Social Sciences, and Statistics. The main content area features a banner with the text 'Providing researchers with access to millions of scientific documents from journals, books, series, protocols and reference works.' Below the banner are two book covers: 'International Journal of Parallel Programming' and 'Understanding Society and Natural Resources'. To the right of the book covers is a purple box with the text 'New books and journals are available every day.' Below the banner is a 'Recent Activity' section with the heading 'What's being read within your organisation'. It lists two items: 'Original Research Paper' titled 'Improving *bgl1* gene expression in *Saccharomyces cerevisiae* through meiosis in an isogenic triploid' from 'Biotechnology Letters, June 2014' (dated '2 days ago'), and 'Chapter' titled 'A Parallel Algorithm for Multiple Biological Sequence Alignment' from 'Information Processign in Cells and Tissues, 2012' (dated '2 days ago').

The screenshot shows the Springer Link search results for the keyword 'Philosophy'. The page includes a search bar at the top with the text 'Philosophy' and a 'New Search' button. Below the search bar, there are navigation links: 'Home', 'Admin Dashboard', and 'Contact Us'. On the left side, there is a 'Refine Your Search' section with a 'Content Type' filter. The main search results are displayed in a table with columns for 'Sort By' (Relevance, Date Published), 'Page' (1 of 16,766), and 'Journal'. The results list several journals, including 'Frontiers of Philosophy in China', 'European Journal for Philosophy of Science', 'Review of Philosophy and Psychology', and 'Philosophy, Ethics, and Humanities in Medicine'. Red arrows and numbered boxes (1, 2, 3) point to specific elements: box 1 points to the search bar, box 2 points to the 'Date Published' sort option, and box 3 points to the 'Journal' column header.

ABOUT THIS JOURNAL EDITORIAL BOARD SOCIETY PRESS RELEASE

ISOP
INTERNATIONAL SOCIETY OF PHARMACOMETRICS

- Illustrates the importance of pharmacokinetics, pharmacodynamics, and pharmacometrics
- Presents both theoretical and experimental papers on a range of related topics
- Includes a special section on pharmacometrics
- Applies research findings to real-world observations
- 100% of authors who answered a survey reported that they would definitely publish or probably publish in the journal again

The *Journal of Pharmacokinetics and Pharmacodynamics* is devoted to illustrating the importance of pharmacokinetics, pharmacodynamics, and pharmacometrics in the understanding of drug action, therapy, design, development, and evaluation. It presents experimental and theoretical papers examining the kinetics of drug disposition and drug action; clinical pharmacokinetics; factors affecting formation and disposition of drug metabolites; dosage form evaluation from animals and humans; bioavailability studies, scaling from animals to humans, and in vitro and in vivo correlations. A special section is provided for papers addressing pharmacometrics, the computational and
